Services Provided

The District is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized by order of the District Court in Douglas County on May 23, 2016. The formation of the District was approved by the Town of Parker, Colorado (the Town) in conjunction with the approval by the Town Board of a Consolidated Service Plan for the District and Trails at Crowfoot Metropolitan District Nos. 1-2 (together, the Districts) and Hess Ranch Metropolitan District Nos. 4-8. In June 2019, the District changed its name to Trails at Crowfoot Metropolitan District No. 3. The District's service area is located south of Hess Road and west of Motsenbocker Road in the Town of Parker in Douglas County, Colorado.

On November 3, 2015 and November 5, 2019, the District's authorized total indebtedness of for the District in the amount of \$2,123,287,500 for public improvements including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, traffic and safety control, fire protection, television relay and translation, and security. \$1,022,947,500 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements. The District is authorized to increase taxes \$10,000,000 annually to pay the operations and administrative costs of the District, without limitation. The Service Plan limits (except for a Gallagher adjustment) the District's operation and maintenance mill levy to 10.000 mills (as adjusted to 10.069 mills). Pursuant to the Service Plan, the total combined debt the Districts are permitted to issue shall not exceed \$90.068,750.

Additionally, the Service Plan limits (except for a Gallagher adjustment) the District's debt service mill levy to 57.000 mills (as adjusted to 57.398 mills). The Service Plan also limits the imposition of the debt service mill levy to 40 years after initial year of imposition of such mill levy.

On June 17, 2019, the District entered into an intergovernmental agreements with the Town (the "Town IGA"). The Town IGA provides that the District will impose (a) the Infrastructure Capital Mill Levy (5 mills, subject to adjustment) and use the proceeds for certain regional improvements, (b) the Town Capital and Maintenance Mill Levy (5 mills, subject to adjustment) and remit the proceeds to the Town for certain Town improvements, and (c) the Operations Mill Levy (up to 10 mills subject to adjustment) and use the proceeds for the ongoing administrative and operating expenses of the District and for the maintenance of certain of the regional improvements. The Town IGA requires that the proceeds of the Infrastructure Capital Mill Levy and the Town Capital and Maintenance Mill Levy be paid by the District to the Town no later than 30 days after receipt, to be deposited by the Town in a separate fund; provided, however, that the Districts are permitted to retain revenues from the Infrastructure Capital Mill Levy to the extent needed to pay debt service on obligations repayable in whole or in part from such mill levy (which includes the Bonds).

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statues C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary info of the Budget at the adopted total mill levy.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 8.0% of the property taxes collected.

Developer Advances

A portion of the District's general and administrative costs will be funded by the Developer. A major portion of the capital expenditures are also expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Intergovernmental Revenues

Pursuant to an Intergovernmental Agreement with Trails at Crowfoot Metropolitan Districts Nos. 1-2, the intergovernmental revenues represent transfers to the District to provide funding for overall administrative and operating costs, as well as debt service.

Interest Income

Interest earned on the District's available funds has been estimated based on historical earnings.

Expenditures

General and Administrative Expenditures

General and administrative expenditures include the estimated cost of services necessary to maintain the District's administrative viability such as legal, accounting, insurance, membership dues, election and other administrative expenditures.
