Services Provided

The District is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized by order of the District Court in Douglas County on May 23, 2016. The formation of the District was approved by the Town of Parker, Colorado (the Town) in conjunction with the approval by the Town Board of a Consolidated Service Plan for the District and Trails at Crowfoot Metropolitan District Nos. 1-2 (together, the Districts) and Hess Ranch Metropolitan District Nos. 4-8. In June 2019, the District changed its name to Trails at Crowfoot Metropolitan District No. 3. The District's service area is located south of Hess Road and west of Motsenbocker Road in the Town of Parker in Douglas County, Colorado.

On November 3, 2015 and November 5, 2019, the District's authorized total indebtedness of for the District in the amount of \$2,123,287,500 for public improvements including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, traffic and safety control, fire protection, television relay and translation, and security. \$1,022,947,500 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements. The District is authorized to increase taxes \$10,000,000 annually to pay the operations and administrative costs of the District, without limitation. The Service Plan limits (subject to adjustment) the District's operation and maintenance mill levy to 10.000 mills (as adjusted to 10.062 mills).

Additionally, the Service Plan limits (subject to adjustment) the District's debt service mill levy to 57.000 mills (as adjusted to 57.353 mills). The Service Plan also limits the imposition of the debt service mill levy to 40 years after initial year of imposition of such mill levy.

On June 17, 2019, the District entered into an intergovernmental agreements with the Town (the "Town IGA"). The Town IGA provides that the District will impose (a) the Infrastructure Capital Mill Levy (5 mills, subject to adjustment) and use the proceeds for certain regional improvements, (b) the Town Capital and Maintenance Mill Levy (5 mills, subject to adjustment) and remit the proceeds to the Town for certain Town improvements, and (c) the Operations Mill Levy (up to 10 mills subject to adjustment) and use the proceeds for the ongoing administrative and operating expenses of the District and for the maintenance of certain of the regional improvements. The Town IGA requires that the proceeds of the Infrastructure Capital Mill Levy and the Town Capital and Maintenance Mill Levy be paid by the District to the Town no later than 30 days after receipt, to be deposited by the Town in a separate fund; provided, however, that the Districts are permitted to retain revenues from the Infrastructure Capital Mill Levy to the extent needed to pay debt service on obligations repayable in whole or in part from such mill levy (which includes the Bonds).

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statues C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary info of the Budget at the adopted total mill levy.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.0% of the property taxes collected.

Intergovernmental Revenues

Pursuant to an Intergovernmental Agreement with Trails at Crowfoot Metropolitan Districts Nos. 1-2, the intergovernmental revenues represent transfers to the District to provide funding for overall administrative and operating costs, as well as debt service.

Interest Income

Interest earned on the District's available funds has been estimated based on historical earnings.

Expenditures

General and Administrative Expenditures

General and administrative expenditures include the estimated cost of services necessary to maintain the District's administrative viability such as legal, accounting, insurance, membership dues, election and other administrative expenditures.

Debt and Leases

The District issued its Series 2019A Senior Bonds (the Senior Bonds) and its Series 2019B₍₃₎ Subordinate Bonds and the 2022C Subordinate Bonds (the Subordinate Bonds) on July 30, 2019 and April 6, 2022, respectively, in the respective par amounts of \$28,830,000, \$6,275,000, and \$19,110,000. The proceeds from the sale of the Senior Bonds were used to: (i) finance public improvements related to the development; (ii) fund capitalized interest; (iii) fund a Senior Reserve Fund; and (iv) pay the costs of issuance of the Senior Bonds and certain costs of issuance of the Subordinate Bonds. Proceeds of the Subordinate Bonds were used to: (i) finance additional public improvements related to the development; (ii) pay certain costs of issuance of the Subordinate Bonds; and (iii) reimburse the cost of public improvements related to the development.

The Senior Bonds bear interest at rates ranging from 4.375% to 5.000% and are payable semiannually on June 1 and December 1, beginning on December 1, 2019. The Senior Bonds consist of three term bonds maturing December 1, 2030, December 1, 2039, and December 1, 2049. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2024. The Bonds mature on December 1, 2049.

To the extent principal of any Senior Bond is not paid when due, such principal shall remain outstanding until the Senior Bonds Termination Date of December 1, 2059 and shall continue to bear interest at the rate then borne by the Senior Bond. To the extent interest on any Senior Bond is not paid when due, such interest shall compound semiannually on each interest payment date (June 1 and December 1) at the rate borne by the Senior Bond. The District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Senior Bonds. If any amount of principal or interest due on the Senior Bonds remains unpaid after the application of all Senior Pledged Revenue available therefor on the Senior Bonds Termination Date, such unpaid amount will be deemed discharged.

The Subordinate Bonds were be issued at the rate of 9.000% and 4.00% per annum, respectively, and are payable annually on December 15, beginning December 15, 2019 from, and to the extent of, Subordinate Pledged Revenue available, if any, and mature on December 15, 2049 and December 15, 2052, respectively. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Unpaid interest on the Subordinate Bonds compounds annually on each December 15.

The District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Subordinate Bonds. If any amount of principal or interest due on the Subordinate Bonds remains unpaid after the application of all Subordinate Pledged Revenue available therefor on the Subordinate Bonds Termination Date of December 15, 2059, such unpaid amount shall be deemed discharged.

Debt and Leases – (continued)

The Senior Reserve Fund shall be funded in the amount of the Senior Required Reserve of \$2,263,250. Subject to the receipt of sufficient Pledged Revenue, the Senior Reserve Fund shall be maintained in the amount of the Senior Required Reserve for so long as any Senior Bonds are outstanding. If at any time the Senior Reserve Fund is drawn upon or valued so that the amount of the Senior Reserve Fund is less than the Senior Required Reserve, the Trustee shall apply Pledged Revenue to the credit of the Senior Reserve Fund in amounts sufficient bring the amount credited to the Senior Reserve Fund to the Senior Required Reserve. The amount credited to the Senior Reserve Fund shall never exceed the amount of the Senior Required Reserve. Moneys in the Senior Surplus Fund shall be used for payment of the Senior Bonds prior to any use of moneys in the Senior Reserve Fund.

The Senior Surplus Fund shall be funded from deposits of annual District Pledged Revenue and Pledge District Pledged Revenue in excess of that needed to pay annual debt service up to the Maximum Surplus Amount of \$2,883,000. The Senior Surplus Fund shall be maintained until the date on which no Senior Bonds remain outstanding. So long as the Senior Surplus Fund is maintained, amounts in excess of the Maximum Surplus Amount shall be remitted to the District for application to the payment of the Subordinate Bonds. Amounts on deposit in the Senior Surplus Fund (if any) in the final year of maturity of the Senior Bonds shall be pledged to the payment of the Subordinate Bonds.
